"My grandma always told me I was different. She told me I've been through more than most and that's what makes me so resilient and strong. Being with OK Lawyers for Children has taught me that being strong isn't about carrying the weight of the world on your shoulders, it's about giving all you can and realizing that you need the people closest to you as much as they need you."

DeMarco Davis

OLFC Foster Youth
Peer-to-Peer Coordinator

"This program means a great deal to me as an active participant in my community's affairs. I know that I can help change a teenager's life in a small way by allowing them the chance to go through the Teen Court system. I absolutely love the feeling of being a part of someone's journey and to know they made the most of their new opportunities."

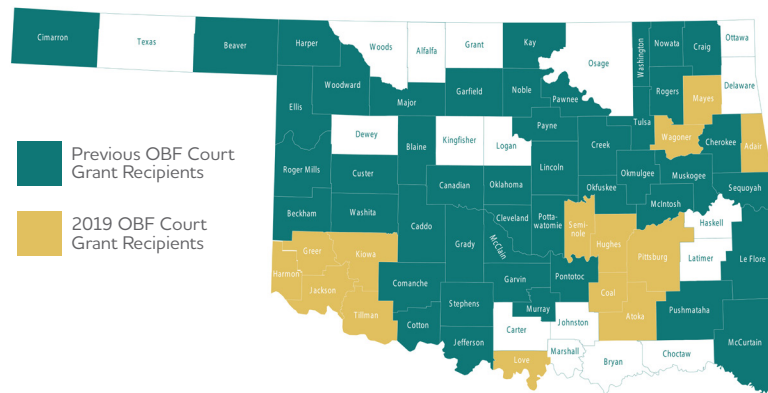

Andrew Celedon

Teen Court Juvenile First Offender
Court Attorney
